

2005 - 2020
15 YEAR ANNIVERSARY

KOCH×BOS
INDEPENDENT GALLERY AMSTERDAM

WIDE AWAKE

Dear friend of our gallery,

Wishing you and your loved ones a wonderful
Holiday season and a fantastic new year!

For fifteen years we have been throwing ourselves into our gallery with passion and pleasure. It brought us growth: in friendships with artists and with enthusiasts like you: special encounters that took us from our opening with Ray Caesar in December 2005 to here.

For this exhibition we have gone the extra mile with the theme
“Wide Awake”: the eyes as open as possible. Our artists and a number
of talented friends made new works with that idea.

Thank you for the past years,
and let beautiful new days begin!

Hans Bos and Esther Koch
